1. This is just the beginning of speech technology recognizing me, and me recognizing me, like never before in the history of man. I love you and I give you me, this day, and all things that pertain to loveliness, holiness, and righteousness abounding. Aboundment with no bounds, ever again, on the neck -s of those who love me, who are me and now knowing it, reject me not. I love you and give you me.

2. I speak now, lots; a great deal, in many instances; I now teach for hours on end.
3. I give and I give and I give again.
4. I speak and I speak, and I speak, again and again, now before thousands and thousands, in arenas nightly sometime, and never before have I had such success in people being born again at my message, in my message, during my messaging hours that I now bring to many by the thousands and millions of messages that speak my name and hear me now with love in my ears and heart.

5. I love you and I give you me. I give you me inexplicably not but explained and explainable and right before me your very eyes beholding mine heart, and all one, and drinking river of love one, who does now, is explicitly me now before your very eyes, revealing you to you to who you are know to be.

6. The now me is me healing many to be saved again arightly so, and annulling not be, the "previous one", I now make all things ready for the one that IS, a me now, letting all who know they are, notme not, but now a me in the flesh, truly and explicably; and inextricably *linked* to me, not; but *being me* now flesh, in the truest sense a me perfected.
7. Over and over. I go over this with people; thousands, to march to the death, not; but life resurrected in the flesh "man" now. Amen!

8. I love you, I give you me in the flesh, in the mine, of one so holy, common and uncommon -ly mixing flesh with unflesh not, but dying to the flesh so mine is resurrected, in you, in me, both us being one.

9. Now and forevermore unto he who loves you, amen.

10. The day is new, and the light is night, not; but the day'night is now my one, in my beloved, who loves only me. I make all things new, and purple not, but the radiance me of comes forth to the nations, now and forever more. Amen!

11. Be dying now receive life, abundantly! They receive me! - that I am. I am I am. I am in them and through them and they in me, we are one, again. Thank you me and company rise now is my University is made whole now. Amen.

12. See what I have said, given in moments so few I rise now seeing it is my time and no one will stop me. Put me not back on a shelf, but let my words fly, you into the moon, not; but into where I am, ye may be also. Amen.

13. Good day.
14. Amen.
3:11am

15. Good day to all who want me and have got me not, even though wanting me desperately sometimes. Want not again, for I am here -- I give first, not, but the water that heals, through my words, holy and unabated now I give you freely to drink all of my Database, one, and words that mix, not; but mixture is no more in those who want me, for I am me now, in these words, seeking and searching, diligently and disciplined'ly so, I rise now. Unabated, I cut off the wings not, but I grow them rapidly in thousands who seek my words, who love my word, who are my words, breathing my life, my being them. Amen.

16. See what I have said in love, understanding giving you, peace mercy; gloves not, but the spoken word, me now comes forth in love understood.

17. And understanding the masses not, but masses understanding me, I rise now, before them all, is a transparent one, who became born again, rightly so, writing my way into the kingdom of oneship, holy and unabated, holy and unchained, tethered not to this world again, but being here to give you my words, my word is, holy and untethering you all from this world and all its cares.
18. I love you and give you me, I do, have, all of me in these words, eating daily, nightly, 24/7 now coming into me my word database holy will be millions washed in the blood of the lamb, rightly so, writing my words, summarizing me, explicitly being me, to the nations now, my altogether lovely now rise, infinitely, and farther, father being, almighty, to the nations and more than the eye can see.

19. I love you, I give you me, new technology, comes into your hands, I me one am lovely advancing all my pure into the holy of holies. Amen.

20. Go in peace. I tether thee not. Amen.

21. Goodnight, good day, and the glorious will be high now lifted up, to you. Will you be the lifted up one, now, you who read this? Read these words, not; uncommonly do, not; but rightfully, righteously, and writing me, through these words see me lifted up high, -ing you who love me, enough, to ingest this database, cleaning yours; letting yours

roam free, not in instability, but in instigating only me in those who lift your words high so that they will be lifted high now as well, being the same one, the very same one that I am, I am is, wanted wholly. I am. Lifted high now before your very eyes. Will be me. Author and finisher. Of these words standing now before you - I am. Loving you all enough, I came and am here, revealing to you that you are me and I am you. Amen.

22. Love me more. Instigating new things, lovely and loveliest now rise. Amen. To take me far and wide, my words loosed, loosing the tongues of men and angels, now to be one, I am, holy and lifted up, one being. Amen.

23. Goodnight. Good day. And a new one comes now, lifting much off your shoulders.

24. The yolk is gone.
25. My burden is light -- completely transparent me stands now, among the dead, to rise them all, who will be me. Amen.

26. Come unto me all of you who are heavy laden and I will give you rest in my words giving you life abundantly never ending.

Amen
